

POIs powered by Google™, Google™ Send-to-Car, Real-Time Weather, Real-Time Fuel Prices, and Real-Time Flight Information may require subscription and owner consent to activate. Service[s] provided by independent companies not within Nissan's control. Should service providers terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Certain remote functions require compatible phone, not included with vehicle. Cellular network provided by independent cellular companies not within Nissan's control. Cellular network not available in all areas. Standard text rates, voice minutes, roaming charges and/or data usage may apply.

SiriusXM™:
Required SiriusXM™ subscription sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.ca. ©2012 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc.

Bluetooth:
Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license.

Apple / iPod:
Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See Dealer for details. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® not included.

NISSAN CONNECTSM WITH NAVIGATION

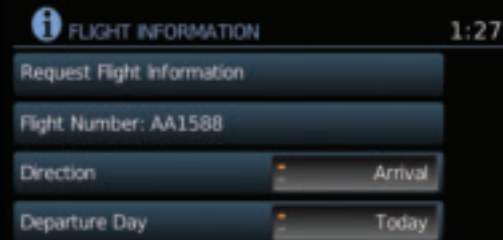

POCKET GUIDE

NISSAN CONNECTSM WITH NAVIGATION

LOG ON AND TAKE OFF

Certain Nissan vehicles are equipped with the available NissanConnect suite of technologies. Hands-free phone capability, streaming audio, hands-free text messaging, navigation and lots more, all accessible from your vehicle's centrally located screen.

VOICE RECOGNITION

Voice Recognition for Audio, Phone & Navigation.

BLUETOOTH® HANDS-FREE PHONE SYSTEM

The Bluetooth® Hands-Free Phone System activates via steering wheel-mounted controls. Now you can keep up connections no matter where the road takes you.

HANDS-FREE TEXT MESSAGING ASSISTANT

Keep your hands on the wheel and handle text messages without having to look at your phone. Send and receive text messages using voice commands. Text messages are read to you through the audio system. (not available on all cell phones)

SIRIUSXM™

Get 120 channels, including commercial-free music plus the best news, talk, sports, comedy and entertainment.

CD DRIVE, MP3, AM/FM TUNER

USB CONNECTION PORT

Control music on your USB using the audio system controls and display screen. The USB audio screen will appear when you have a USB memory stick or device connected to the USB jack.

IPOD CONNECTIVITY

Plug your iPod/iPhone® into your vehicle using the convenient USB input and take your whole collection on the road. Steering wheel-mounted controls put full command of every track right at your fingertips.

AUDIO STREAMING

Wirelessly connect and stream music from your Bluetooth® compatible device through the vehicle's sound system.

AUX-IN CONNECTIVITY

Accepts any standard analog audio input. Use the volume on your device while using the system volume for incremental sound.

NAVIGATION*

The Nissan Navigation System is much more than a map. Intelligent functions support the driver and make vehicle driving safer and more convenient. Enhance your journey with features that include:

- | | |
|--|--|
| Assist Features | General Features |
| <ul style="list-style-type: none">▪ Curve Warning▪ Speed Limit Advisory▪ Over-speed Warning▪ Exit View▪ Lane Guidance for Highways▪ Eco Routing▪ Rear-View Monitor | <ul style="list-style-type: none">▪ 2D & 3D View▪ SD Card Based Map▪ User Selectable POI Icons |

FUEL PRICES*

Check real time fuel prices sorted by distance from nearest to furthest.

FLIGHT TIMES*

Check flight status like arrivals, departures and delays for any commercial flight.

WEATHER*

Shows you the current weather conditions for your current vehicle location including temperature, humidity, wind speed & precipitation. Also see the 5-day forecast, and look-up weather for other locations.

GOOGLE™ SEND-TO-CAR*

NissanConnectSM offers Google™ Send-to-Car compatibility. Enter your destination before you leave home. Using a PC or connected device, send any address to your navigation system through www.maps.google.com. When you start the car and connect to the network, the address will be delivered and loaded into your Nissan system for routing.

POIs POWERED BY GOOGLE™**

Enjoy compatibility with POI's Powered by Google™. A connected Google™ local business search is based on the latest information from Google™ and is always up-to-date. Drivers can search for a destination without knowing the specific name or category, and gives you the option to call the POI.

ADVANCED DRIVE-ASSIST™ DISPLAY

From turn-by-turn directions to caller identification, the new Advanced Drive-Assist Display does it for you in one central location. Its location in the instrument cluster is specially designed to make it easy for you to read quickly, allowing you to focus on what matters most — driving. (only available on Altima)

MAP UPDATES

The navigation map is stored on an SD card. Map Updates for this system will be available on an annual basis. For more information on map updates, visit www.navigation.com.

OWNER REGISTRATION

In order to use certain features such as Google™ Send-To-Car, POIs Powered by Google™, real time Weather, Fuel and Flight details, owners must register and activate their account:

- 1) Go to the NissanConnect Portal: www.canada.nissanconnect.com
- 2) Click **“Register”**
- 3) Fill in the required fields and click **“Submit”** to create your profile. Make sure to write down your e-mail and password
- 4) Click **“Add Vehicle”** and enter your vehicle information. You will need your VIN in order to complete this step
- 5) Now that your vehicle has been added, click the **“Access your Nissan”** link
- 6) A new pop-up window will appear introducing your NissanConnect services account. Click **“Next”** and read the Terms and Conditions agreement. If you agree, check the box and click on **“I Agree”**
- 7) The following page will give you printable instructions to finish registration from inside your vehicle. Select **“Print,”** and take these instructions along with your www.canada.nissanconnect.com password to your vehicle
- 8) Pair Bluetooth phone to vehicle (if not already done, see Owner's Manual for instructions)
- 9) Put your Vehicle into **“Acc”** or **“On”** position, press **“Menu,” “Settings,” “Info,” “Register for Connected Services”**, select Canada, and input NissanConnect ID and www.canada.nissanconnect.com password to complete service activation

For registration questions, please contact Nissan Owner Services at (855) 426-6628.

*Features only available on navigation-equipped vehicles. Some features are associated with the navigation system and are not part of the NissanConnect technology.
