## HOW TO REGISTER FOR NAVIGATION BASED SERVICES

### HOW TO REGISTER

Follow these steps to activate NissanConnect in your vehicle. With NissanConnect, you'll have access to navigation-based services, Send-To-Car powered by Google, Places of Interest (POIs) powered by Google, real-time fuel prices, flight and weather information, and more.

1. Go to the NissanConnect Portal: **[www.canada.nissanconnect.com](http://www.canada.nissanconnect.com)**
2. Click **"Register"**
3. Fill in the required fields and click **"Submit"** to create your profile. Make sure to write down your e-mail and password
4. Click **"Add Vehicle"** and enter your vehicle information. You will need your VIN in order to complete this step
5. Now that your vehicle has been added, click the **"Access your Nissan"** link
6. A new pop-up window will appear introducing your NissanConnect services account. Click **"Next"** and read the Terms and Conditions agreement. If you agree, check the box and click on **"I Agree"**
7. The following page will give you printable instructions to finish registration from inside your vehicle. Select **"Print"** and take these instructions along with your **[www.canada.nissanconnect.com](http://www.canada.nissanconnect.com)** password to your vehicle
8. Pair Bluetooth phone to vehicle (if not already done, see Owner's Manual for instructions)
9. Put your Vehicle into **"Acc"** or **"On"** position, press **"Menu"**, **"Settings"**, **"Info"**, **"Register for Connected Services"**, select Canada, and input NissanConnect ID and **[www.canada.nissanconnect.com](http://www.canada.nissanconnect.com)** password to complete
