NissanConnect™ Apps

CONNECTED TO MORE THAN JUST THE ROAD

NissanConnect™ uses hands-free technology, your smartphone, and your Nissan's display screen to help you stay in touch with the outside world from inside your vehicle. It's loaded with features and a growing list of apps to help you stay more connected.

This handy checklist is your roadmap to a more connected driving experience. Feel free to print it out and take it to your vehicle for a quick and easy setup process!

DOWNLOAD APP

Download the "NissanConnect" companion app to your Android device from the Google Play store or to your iPhone® from the Apple App Store.

CONNECT YOUR PHONE TO YOUR NISSAN

For Android, pair your phone using Bluetooth®. For iPhone®, please connect your phone via the Apple USB cable into the USB port located in the console of a vehicle with navigation. If you have a vehicle without navigation, please connect your iPhone® via Bluetooth®. For a list of compatible phones and pairing instructions, please visit <http://www.nissan.ca/vehicles/ms/bluetooth/en/default.aspx>

ENROLL WITH NISSANCONNECT™ APPS

To enroll from NissanConnect app, open app and select "Sign In" if you already have a Canada.NissanConnect.com account. Otherwise, select "Create Account".

To enroll from a computer, log in to Canada.NissanConnect.com and "Login" if already have an account. Otherwise, click "Register". You can manage your apps online, but will still need to download the NissanConnect companion app to your smartphone for full functionality

ADD YOUR NISSAN VEHICLE

From NissanConnect app, select "Add Vehicle", respond to prompt asking if you are the owner, and then input the Vehicle Identification Number (VIN) of vehicle along with a Nickname

From computer, click "Add Vehicle" and input the Vehicle Identification Number (VIN) of vehicle along with a Nickname. Then click the "Access your NissanConnect Apps" link

LINK APP PROVIDER ACCOUNTS

Go to the "Manage My Apps" page and select the apps you wish to activate in your vehicle. Some apps require you to have the app downloaded and installed onto the smartphone, while some require you to enter your credentials to log in.

ACCESS NISSANCONNECT™ APPS IN YOUR VEHICLE

Press "APPS" button and then select "My Apps". Your apps will appear in your vehicle only when your phone is connected to the vehicle and the internet. If you wish to turn any apps off, please use the "Manage My Apps" feature to deactivate apps in the vehicle.

**For more information, video demonstrations, FAQ's,
a complete list of apps and enrollment assistance for NissanConnect™, please visit
